## Summary

I am a passionate individual focused on mastering programming, scripting, system administration, and cloud technologies — while also valuing personal growth, discipline, and communication. My journey includes both academic and character-building experiences that shaped my mindset, skills, and aspirations.

## Education

- **BS Computer Science** – QUEST Nawabshah (2024 – Present)
- **Cadet College Sanghar** – Matriculation & Intermediate (2018 – 2023)
  - Cadet experience strengthened discipline, time management, and leadership
- **The Educators School** – Primary & Middle Education (Up to 2018)

## Achievements & Recognitions

- **Shield winner** in inter-college [debate competition](#)
- **Essay writing certificate** for excellence in [creative and formal writing](#)
- **Bait-ul-Maal funded student** – awarded on merit and academic record

## Skills & Strengths

- [Communication](#): Confident public speaker and listener with experience in debates
- [Writing](#): Skilled in essay, report, and technical writing
- [Time Management](#): Balanced academic and cadet routines efficiently
- [Discipline & Teamwork](#): Developed through cadet training and projects
- [Adaptability](#): Quick learner with exposure to various environments and challenges

## Technical Profile

- **Programming**: Python, C++, Bash, JavaScript (basic)
- **Automation**: Python scripts for file renaming, scraping, and system tasks
- **System Administration**: Linux CLI, system tools, WSL setup
- **Cloud**: Basic AWS knowledge, EC2, IAM, storage
- **Web Development**: HTML, CSS, JS, WordPress, Blogger
- **Tools**: Git, GitHub, VS Code, Docker (intro level)

## Projects

- **Personal Portfolio Website**: Static site showcasing resume, projects, and downloads (Hosted on GitHub Pages)
- **Python Automation Tools**: Scripts for local system automation, file management, and basic web scraping
- **System Setup Scripts**: Bash + Python tools for setting up WSL, dev tools, and MOTD

## Languages

English (Intermediate), Urdu (Fluent), Sindhi (Native)
